## Daily Tarot with ThalassaRaptor

### Overall **Queen of Cups**

Create a space - both internally and beyond - where sensitivity and fluidity are honoured and utilised. This is an excellent time to make new connections and burnish established ones. The spirit of this card calls for the powers of gentle emotion, creativity and exploring inner depths. Be aware of the feelings of others and above all practice kindness.

### Thursday **9 of Cups**

### Want to post a flyer?

You MUST get approval from the Info desk, post only in authorized locations (no marble or glass), and use only the blue tape provided.
